Hi Sherry –

Final Drainage as-builts attached for Lots 9 (BLD2016-00160; 2185 Cobble Hill) and 10 (BLD2016-00158, 2184 Cobblehill) for the Highlands subdivision. I believe they are looking for all division finals, so if you need anything please let Camille know as she is helping them along.

Thanks!  
Melody

Hi Sherry –

The last as-builts I have on file are in the attached. They are currently working through a list of corrections/follow up items for drainage so there may be some minor changes.

Thanks,  
Melody

Hi Camille,

The letter mentioned *"the drainage has been installed with field revisions"* and I would like them to provide markups for their as-builts on the Civil Plan to detail the revisions made, and see if it also conforms to the geotechnical recommendations. Do we have it?

Thank you!

Hi Melody and Sherry,

See attached for "as-built" documentation for Drainage. For Geo, did letter from Geo confirm that foundation was built per plan? If so, we do not need as-built plans and can sign off Geo-final for BLD2016-00158, 159, 160.

Condition 4.0:

Foundation plans shall be submitted to the County for review prior to issuance of a building permit. All foundation excavations shall be observed during construction by the project Geotechnical Engineer to insure that subsurface conditions encountered are as anticipated. As-built documentation shall be submitted to the County. (All lots)

Please confirm 😊 Thank you!
