

**REQUEST FOR INFORMATION
FOR
COUNTY OF SAN MATEO**

**LISTED BELOW ARE THE QUESTIONS (Q) SUBMITTED BY
POTENTIAL CONSULTANTS FOR THE
RFP FOR UTILITIES-FLOOD CONTROL-WATERSHED PROTECTION ON-CALL
SERVICES WITHIN THE COUNTY OF SAN MATEO**

**THE COUNTY OF SAN MATEO DEPARTMENT OF PUBLIC WORKS HAS
PROVIDED RESPONSES (R) TO THE QUESTIONS BELOW**

- Q1. Does the not to exceed amount of \$300,000-\$500,000 refer to each category or each firm? In other words, if we win multiple categories, would our limit be the range of \$300,000-\$500,000 per category or for the combination of all the categories we are listed on?
- R1. The not to exceed amount of \$300,000-\$500,000 refers to the not to exceed amount for each firm, regardless of the number of categories for which a firm is selected.*
- Q2. Pages 8-10 of the RFP outline the proposal order and sections; they are lettered A through H. Section G is missing. Is this a typo?
- R2. The section lettering skipped letter G. No Section G was included in the RFP; therefore, no section is missing.*
