

Steering Committee Meeting #5

June 28, 2021

2 - 4 PM PDT

Virtual Conference Call Meeting via Zoom (see additional info at the end of the agenda)

<https://smcgov.zoom.us/j/96551239872?pwd=T3h1RUNkU3dCRW9YbDZtVGtieTh2QT09>

The public shall have an opportunity to comment on any action item as each item is considered by the Committee prior to action being taken as noted on the agenda and at the end of the meeting. This opportunity is non-transferrable, and speakers are limited to one two-minute (3) comment for each action item.

1. Welcome and Announcements – 2:00 – 2:20 PM

Dan Belville, Director, San Mateo County OES and Rita Mancera, Executive Director,
Puente: Co-Chairs of the Steering Committee

- a. Steering Committee Roll Call (See Attachment A: Steering Committee Roster)

Roll Call: Steering Committee Members are asked to introduce themselves in alphabetical order and state their name, their title & organization

- b. Agenda Review

- c. Steering Committee Meeting #4 Minutes (See Attachment B)

- i. Comments from Steering Committee Members
- ii. Action: Adopt Steering Committee Meeting Minutes

2. Steering Committee Business – 2:20 – 3:00 PM

Dan Belville, Director, San Mateo County OES and Rita Mancera, Executive Director,
Puente: Co-Chairs of the Steering Committee

- a. Report out on Results on Hazard / Risk Assessment (See Attachment C)

Rob Flaner & Carol Baumann, Tetra Tech

- i. Comments from Steering Committee Members
- ii. Comments from Planning Partners
- iii. Comments from Public

- b. Report out on MJLHMP Maintenance Plan (See Attachment D)

Rob Flaner, Tetra Tech

- i. Comments from Steering Committee Members
- ii. Comments from Planning Partners
- iii. Comments from Public

3. Planning Process – 3:00 – 3:10 PM

Bart Spencer, Tetra Tech, Inc.

- a. Report out on Phase 3 Workshops held on June 14, 15 and 16
- b. Weekly (non-mandatory) Q&A Sessions with Tetra Tech will be held on the following Wednesdays at 1 pm: June 23, June 30, July 7, July 14 and July 21
- c. All materials are due no later than Friday, July 23rd – no exceptions

4. County Updates 3:10 – 3:50 PM

Hilary Papendick and Ann Ludwig, San Mateo County

- a. Schedule Review (See Attachment E)
- b. Update on Outreach Efforts (See Attachment F)
 - i. Comments from Steering Committee Members
 - ii. Comments from Planning Partners
 - iii. Comments from Public

5. Public Comment and Adjournment – 3:50 – 4:00 PM

Opportunity for Public Comment

Note that the public shall have an opportunity to comment on any action item as each item is considered by the Committee prior to action being taken.

This opportunity is non-transferrable, and speakers are limited to one three-minute (3) comment each.

6. Adjourn – Dan Belville and Rita Mancera, Co-Chairs

Next Meeting will be on Monday, July 26, 2021 from 2 pm – 4 pm

Agenda Items for Next Steering Committee Meeting include:

- a. Status Report on the Jurisdictional Annex Process

San Mateo County MJLHMP Steering Committee #4

Date/Time of Meeting:	Monday, May 24, 2021, 2:04 PM (Start Time)
Location:	Digital
Subject:	Steering Committee Meeting No. 4
Project Name:	San Mateo County Multi-Jurisdictional Local Hazard Mitigation Plan Update
In Attendance	Steering Committee: Dan Belville, Andrew Bielak, David Cosgrave, Lt. Ron Mussman (alt. for John Gamez), Robert Hall, Terence Kyaw, Rita Mancera, Ben'Zara Minkin, Ever Rodriguez, Violet Saena, Belen Seara, Amelia Timbers Core Planning Team: Ann Ludwig, Dan Belville, Hilary Papendick, Katie Faulkner, Rob Flaner, Bart Spencer, Des Alexander Guests: Kacey Treadway, Elizabeth Lam, Patrick Halleran, Nicole MacDonald, Dave Pucci, Chris Clements, Isabel Pares, Lynne Bramlett, Gary Ushiro, Brian Henry, Jeanette Kalabolas, Bill Euchner, Joanna Chen, Brandon Stewart, Bill Reilly
Not Present:	Sandra Winter, John Gamez (alternate in attendance)
Summary Prepared by:	Des Alexander
Quorum – Yes or No	Yes

Welcome and Announcements

- Dan Belville welcomed all guests to the 4th Steering Committee for the San Mateo County MJLHMP. Dan also made a brief announcement about COVID vaccine availability through the County.
- When conducting the roll call, Rita Mancera asked all Steering Committee members to state the mitigation measure they'd use to address the hazard they were most concerned with.
- Twelve Steering Committee members were present, and quorum was achieved.
- No comments were made on the agenda.
- No comments were made on the minutes from the 3rd meeting. A motion to approve the minutes was made by Terence Kyaw and seconded by Andrew Bielak. The minutes were approved without dissent.
- Committee members were reminded of the upcoming risk assessment presentation on June 10th from 4 – 5 pm. The presentation is not mandatory, but members are encouraged to attend. This will be a time to ask questions about the risk results; results will be presented at the next Steering Committee meeting.

Steering Committee Business

- Results of Survey #1
 - Results
 - Jeana Wisner discussed the results of the first survey. Over 1200 people responded (1,103 in English, 118 in Spanish, 1 in Tagalog, 7 in Chinese (Taiwan)).

San Mateo County MJLHMP Steering Committee #4

- Fire was the number one hazard of concern mentioned in the comments, while climate change was the highest weighted hazard. Over 50% of respondents reported not experiencing a listed hazard.
- Demographic information was also shared; most survey respondents were White/Caucasian and Redwood City had the zip code with the highest participation.
- The full survey results will be provided to all Planning Partners with the Phase 3 toolkit and Steering Committee members will receive access to those results as well.
- Questions/Comments from Steering Committee
 - Robert Hall asked what percent of people reported having supplies for emergencies.
 - *Which of the following steps has your household taken to prepare for a disaster?*
 - Installed smoke/carbon monoxide detectors (83%); Prepared a disaster supply kit (58%); Stored food and water 2-week supply (55%); Stored flashlights and batteries (76%); Identified the utility shutoff (66%); Stored fire extinguisher (71%); Created a fire escape plan (51%); Stored medical supplies (60%); Stored battery-powered radio (58%); Received first aid/CPR training (57%)
 - Ever Rodriguez offered commentary on why a high percentage of people reported not experiencing hazards. Given the high mobility of populations in unincorporated areas due to rising housing costs (especially immigrant communities), many people may not have lived in the area to experience many of the hazards listed.
- Questions/Comments from Planning Partners
 - No questions or comments
- Questions/Comments from Public
 - No questions or comments
- Results from Core Capabilities Assessment
 - Bart Spencer explained that the Core Capabilities Assessment was designed to gauge the capabilities of county services. A key strength highlighted by County respondents was political support and collaboration for hazard risk management in the County. The main weaknesses highlighted were public knowledge and understanding of risk, as well as funding for mitigation efforts.
- Questions/Comments
 - None from Steering Committee, planning partners, or public.

Planning Process

- Annex Phases
 - Phases 1 & 2
 - Bart Spencer stated that Phase 2 was due last Friday. Tetra Tech is still receiving annex information from partners and some partners will need additional assistance to revise and complete.

San Mateo County MJLHMP Steering Committee #4

- The Phase 1 & 2 documents will be merged into the Phase 3 toolkit and provided to all planning partners.
- Phase 3
 - Due July 23rd
 - Bart Spencer strongly cautioned planning partners to not procrastinate on completing the Phase 3 annexes, which will include creating action items for the next five years. Partners should involve their planning teams in the Phase 3 process
- Questions/Comments from Steering Committee
 - Ever Rodriguez asked about the difference between the County (i.e. municipality) and a special district within the annex process, as well as clarification on where North Fair Oaks Community Alliance would fall between the two. He also asked if the workshops would be open to the public.
 - Bart Spencer responded that NFOCA is a stakeholder in the County's Unincorporated Annex, so they will fall under the municipality category.
 - The workshops will not be open to the public.
- Questions/Comments from Planning Partners
 - Brian Henry asked about the scheduling of workshops as well as participation in the Q&A sessions advertised by Tetra Tech. Bart Spencer responded that Ann Ludwig will send a link where planning partners can gain access to the workshops. Attendance is. Regarding the Q&A sessions, Bart advised partners to just call in since those sessions are not mandatory.
- Questions/Comments from Public
 - No questions or comments

County Updates

- County approach to action development
 - Ann Ludwig discussed the county's actions since the MJLHMP plan process started on February 1st. The month of May primarily focused on internal County conversations regarding mitigation actions; the closing of survey #1; the Sediment for Survival presentation on May 18th; getting all Phase 2 annexes in by their due date on May 21st; the 4th Steering Committee meeting; and a review of proposed mitigation actions and the county maintenance plan.
 - For the month of June, the County will be focused mainly on Phase 3 assignments and workshops, survey #2, and prioritization of mitigation actions. Phase 3 annexes will be the focus of July until their due date on the 23rd. The draft plan will be released in August for internal and public review, with a targeted submittal date of August 31st.
 - The MJLHMP will be under concurrent review by Cal OES/FEMA from September – November (estimated). The APA version is estimated to be returned to the County for board approval in December.
- Questions/Comments
 - None from Steering Committee, planning partners, or public.

Public Comment and Adjournment

- Lynne Bramlett asked for clarification on what it meant to commit to the social equity lens approach to the plan. Ann Ludwig clarified that the social equity lens is a new approach that the

San Mateo County MJLHMP Steering Committee #4

County is taking to address mitigation efforts for vulnerable communities. The paper outlining the County's approach is available on the MJLHMP website.

Adjourn

- Dan Belville reminded callers of the June 28th steering committee meeting. He said that status reports would be shared on the annexes, public outreach, and the risk assessment.
- The meeting ended at 3:14 PM.

ATTACHMENT C

San Mateo County Multijurisdictional Hazard Mitigation Plan-Update

Risk Assessment Results

Presented by-
Rob Flaner

Ranks the hazards based on the degree of risk as it pertains to your community or service area:

- 2 primary components determine the ranking:
 - Probability
 - Impact (People, Property and Economy/Operations)
- Allows for the appropriate selection and prioritization of actions that will reduce the highest levels of risk for each community.
- Jurisdiction-specific

Risk Ranking (cont.)

- The hazard with the **highest risk rating was given a rank of 1**; the hazard with the second highest rating was listed second with a rank of 2; and so on.
- Two hazards with equal risk ratings were given the same rank.
- **“High,” “Medium,” and “Low”** assignments were based on total score

TABLE 12-6. HAZARD RISK RANKING

Hazard Ranking	Hazard Event	Category
1	Earthquake	High
2	Severe weather	Medium
3	Wildfire	Medium
4	Flood	Medium
4	Landslide	Medium
4	Tsunami	Medium
5	Dam failure	Low
6	Drought	Low

Risk Ranking (cont.)

- In loss estimate matrix in toolkit (risk ranking summary tab)
- Provides risk ranking for each municipal planning partner

RISK RANKING-Earthquake - San Andreas Peninsula M7.38																
	Probability		Impact on People				Impact on Property				Impact on Economy				Risk Ranking Score	Hazard Risk Rating

Equity Lens Option

- The “Impact on People” has been adjusted using the SOVI Index from the NRI.
- Using 4 of the 5 SOVI classifications:
 - *Very High*
 - *Relatively High*
 - *Relatively Moderate*
 - *Relatively Low*
- The “*Very Low*” factor defaults back to the baseline Ranking.
- Weighted values are additive
- Max Value for impact on people increases from 9 to 45
- Increased granularity for the ranking

Equity Lens Option

Jurisdiction	Estimated Exposed Population (1)	Dam Failure Combined Area															Total Impact Factor

Local Hazard Mitigation Plan Maintenance Plan Summary & Schedule

June 28, 2021

OES/FEMA Annual Maintenance Plan Activities

MJLHMP Plan Maintenance with Planning Partners

- * Annual Report submitted by all Partners using BATool (access provided by the County; training to occur in September 2021)
- * Annual Report to the Board of Supervisors on the MJLHMP
- * 2 meetings / year to be organized by County (January & July). Purpose: Status Check-in, Grant Application Coordination, and Updates on Topics, such as social equity

County & Regional Grant Coordination

Beginning August 2021, when the NOFO for BRIC grants opens

- Increase grant competitiveness by demonstrating regional partnership and leveraging complimentary mitigation actions across the 37-partner plan annexes from the MJLHMP
- Identify regional projects, coordinate grant development, implementation and administration

CBO Outreach Preliminary Results

- Focus groups, presentations at meetings and individual engagements reached over 602 people. More events are planned!
- Social media, email and other outreach was distributed to over 30,300 followers and subscribers.

Survey #2: Mitigation Actions

Survey Focus - We want your ideas!

- How can we help reduce the risks of hazards in your community?
- How can we help your family and neighbors get organized and prepared before a disaster?

Survey #2: Mitigation Actions

- Survey is open from June 4 – July 11th
- Preliminary results will be sent to SC and Planning Partners on July 7th
- Final results will be sent by July 14th
- As of 6/23, we received:
 - 263 total responses
 - 2 in Chinese, 55 in Spanish and 206 in English

San Mateo County Multijurisdictional Local Hazard Mitigation Plan

Get Involved!

Tell us what actions the County of San Mateo can take to help you and your community prepare for hazard events like earthquake, wildfires and extreme heat.
