Subject: Resolution to make findings allowing continued remote meetings under Brown Act

RECOMMENDATION:

Adopt a resolution finding that, as a result of the continuing COVID-19 pandemic state of emergency declared by Governor Newsom, meeting in person would present imminent risks to the health or safety of attendees.

BACKGROUND:

On June 11, 2021, Governor Newsom issued Executive Order N-08-21, which rescinded his prior Executive Order N-29-20 and set a date of October 1, 2021 for public agencies to transition back to public meetings held in full compliance with the Brown Act. The original Executive Order provided that all provisions of the Brown Act that required the physical presence of members or other personnel as a condition of participation or as a quorum for a public meeting were waived for public health reasons. If these waivers had fully sunset on October 1, 2021, legislative bodies subject to the Brown Act would have had to contend with a sudden return to full compliance with in-person meeting requirements as they existed prior to March 2020, including the requirement for full physical public access to all teleconference locations from which board members were participating.

On September 16, 2021, the Governor signed AB 361, a bill that formalizes and modifies the teleconference procedures implemented by California public agencies in response to the Governor's Executive Orders addressing Brown Act compliance during shelter-in-place periods. AB 361 allows a local agency legislative body to continue to use teleconferencing under the same basic rules as provided in the Executive Orders when certain circumstances occur or when certain findings have been made and adopted by the legislative body.

AB 361 provides that Brown Act legislative bodies must return to in-person meetings on October 1, 2021, unless they choose to continue with fully teleconferenced meetings because a specific declaration of a state or local health emergency is appropriately made. AB 361 allows legislative bodies to continue to conduct virtual meetings as long as there is a gubernatorially-proclaimed public emergency in combination with (1) local health official recommendations for social distancing or (2) adopted findings that meeting in person would present an imminent risk to health or safety of attendees. AB 361 became effective on October 1, 2021 and will sunset on January 1, 2024.

ATTACHMENT 2A

AB 361 also requires that, if the state of emergency remains active for more than 30 days, the legislative body must make findings by majority vote every 30 days to continue using the bill's exemption to the Brown Act teleconferencing rules. The findings demonstrate the need for teleconferencing persists due to the nature of the ongoing public health emergency. Effectively, this means that legislative bodies must either agendaize a Brown Act meeting once every thirty days to make these findings, or, if a legislative body has not made such findings within the prior 30 days, the legislative body must re-adopt the initial findings if it wishes to conduct a remote meeting.

DISCUSSION:

On September 28, 2021, in the interest of public health and safety, as affected by the state of emergency caused by the spread of COVID-19, the Board of Supervisors issued a finding that meeting in person would present imminent risks to the health or safety of attendees and decided to invoke the provisions of AB 361 related to teleconferencing for Board meetings. The Board also strongly encouraged other County legislative bodies to make a similar finding and continue meeting remotely through teleconferencing.

In light of the recent surge of the Omicron variant of COVID-19, requiring large numbers of individuals to gather, and potentially travel long distances, for in-person public meetings could potentially, and unnecessarily, expose numerous people to COVID-19, compound disruptions to our economy, and undermine public health measures during the current State of Emergency.

Accordingly, we recommend that the Domestic Violence Council avail itself of the provisions of AB 361 allowing continuation of online meetings by adopting findings to the effect that conducting in-person meetings would present an imminent risk to the health or safety of attendees. A resolution to that effect and directing staff to take such other necessary or appropriate actions to implement the intent and purposes of the resolution is attached hereto.

RESOLUTION NO.

RESOLUTION FINDING THAT, AS A RESULT OF THE CONTINUING COVID-19 PANDEMIC STATE OF EMERGENCY DECLARED BY GOVERNOR NEWSOM, MEETING IN PERSON FOR MEETINGS OF THE DOMESTIC VIOLENCE COUNCIL WOULD PRESENT IMMINENT RISKS TO THE HEALTH OR SAFETY OF ATTENDEES

WHEREAS, on March 4, 2020, pursuant to Government Code section 8550, *et seq.*, Governor Newsom proclaimed a state of emergency related to the COVID-19 novel coronavirus, and subsequently, the San Mateo County Board of Supervisors (“Board”) declared a local emergency related to COVID-19, and the proclamation by the Governor and declaration by the Board remain in effect; and

WHEREAS, on March 17, 2020, Governor Newsom issued Executive Order N-29-20, which suspended certain provisions in the California Open Meeting law, Government Code section 54950, *et seq.* (the “Brown Act”), related to teleconferencing by local agency legislative bodies, provided certain requirements were met and followed; and

WHEREAS, on June 11, 2021, the Governor issued Executive Order N-08-21, which extended provisions of Executive Order N-29-20 that waive otherwise-applicable Brown Act requirements related to remote/teleconference meetings by local agency legislative bodies through September 30, 2021; and

WHEREAS, on September 16, 2021, Governor Newsom signed AB 361 into law, and AB 361 provides that a local agency legislative body subject to the Brown Act may continue to meet without complying with the otherwise-applicable requirements in

the Brown Act related to remote/teleconference meetings by local agency legislative bodies, provided that a state of emergency has been declared and the legislative body determines that meeting in person would present imminent risks to the health or safety of attendees, and provided that the legislative body makes such finding at least every thirty (30) days during the term of the declared state of emergency; and

WHEREAS, on September 28, 2021, in the interest of public health and safety, as affected by the state of emergency caused by the spread of COVID-19, the Board issued a finding that meeting in person would present imminent risks to the health or safety of attendees, and decided to invoke the provisions of AB 361 related to teleconferencing for meetings of the Board; and

WHEREAS, the Board also strongly encouraged other County legislative bodies to make a similar finding and continue meeting remotely through teleconferencing; and

WHEREAS, in light of the recent surge of the Omicron variant of COVID-19, requiring large numbers of individuals to gather, and potentially travel long distances, for in-person public meetings could potentially, and unnecessarily, expose numerous people to COVID-19, further contribute to the ongoing surge in cases caused by the Omicron variant, compound disruptions to our economy, and undermine public health measures during the current State of Emergency; and

WHEREAS, the Domestic Violence Council has an important governmental interest in protecting the health, safety and welfare of those who participate in its meetings; and

WHEREAS, in the interest of public health and safety, as affected by the emergency caused by the spread of COVID-19, the Domestic Violence Council finds that meeting in person would present imminent risks to the health or safety of attendees, and the Domestic Violence Council will therefore invoke the provisions of AB 361 related to teleconferencing for meetings of the Domestic Violence Council.

NOW, THEREFORE, IT IS HEREBY DETERMINED AND ORDERED that

1. The recitals set forth above are true and correct.
2. The Domestic Violence Council finds that as a result of the proclaimed state of emergency, meeting in person would present imminent risks to the health or safety of attendees.
3. Staff is directed to take such other necessary or appropriate actions to implement the intent and purposes of this resolution.

6. Goals & Priorities • Reflection on & discussion on how well things are being done now.	<i>Report Out</i>	Open Discussion: • Lori Smiley Klingler: Domestic Violence Awareness Committee’s charge is creating awareness and providing resources to the community. The need for more DVC

<ul style="list-style-type: none"> • What would help you fully participate in the DVC & Committees? 		<p>members to participate would help increase reach. Example: tabling in Oct '21 at County Center. With more people we serve more locations, more people.</p> <ul style="list-style-type: none"> • Ruben Abrica: Outreach Strategy; Outreach packets of info would help. • Christine Krolik: bring this info to Council of Cities; representatives of each of the 20 cities in SMC - meet on the last Friday of each month • Sue Datta (CSW) – any initiatives or programs focused on immigrant communities? ○ Response from CMO Callagy: we do but we need to continue to connect with immigrant communities - build trust. Need new ways and help to do this. Office of Community Affairs. SMC Libraries. Police Depts. • Mary McGrath – SMCOE – will join the DVAC; Funds for Parent workshops • Lori Smiley Klingler – DVAC idea to create Speaker Series for schools • Penelope Stinson – DVAC can partner with Youth Commission as well for Speaker Series. • Supervisor Groom – can connect Gina Quiney to this group as well • Tanya Beat: perhaps we could be more impactful if we focused on one area such as youth? • Partner with HealthConnected t(https://www.health-connected.org/) o include healthy relationships with their classes? • Dave Norris – focus on youth for prevention but unsure how Police can help. We have to think more on this and be creative on how Police can contribute to youth. • Geri Archibald (Keller C) – partner with Rape Trauma Services – have entire school program focusing on healthy relationships. • Karen Ferguson – YAY program focuses on advocacy and support for minors • Penelope Stinson – working with Women SV (Ruth Darlene) on curriculum for girls; 6 lessons that can be adapted to SMC.
<p>7. Data Report Out from each Agency</p> <ul style="list-style-type: none"> • Data is an important indicator of DV in the community 	<p><i>Report out</i></p>	<p>CORA: Hotline; Safe Houses; Housing program; Mental Health Services; Legal Services; Community Outreach; 40-hour DV training. Serve entire Bay Area but data is specific to SMC. 2021 served 207 clients in Human Trafficking; 107 clients were represented. Increase in services vs representation. 34 clients experienced DV.</p> <p>SMC Probation: Operation Purple Ribbon, Oct '21; had four teams and reached 62 defendants. Apprehended 1 defendant. Noticed that they had more successful completions (of program) than ever – virtual access made the difference.</p> <p>Please share your data reports with Tanya Beat.</p>

8. Committee Reports <ul style="list-style-type: none"> • Domestic Violence Awareness Committee • Legal Process Committee • Policy & Legislation Committee 	<i>Action</i>	<p>DVAC: Outreach & tabling will increase in 2022; connect with speakers for the speakers series. Ruben Abrica joining the DVAC.</p> <p>Legal Process: Court & agencies being impacted by omicron surge. Going back to more virtual & appointments. Judicial Training on strangulation.</p> <p>Policy & Legislation: Focus in on providing free mental health services to minors impacted by domestic violence. Perhaps Chief Norris can join us. CMO Callagy is curious about how to take this state-wide or what the state is currently doing on this topic.</p>
